TRADES PLACED WITHOUT FINANCIAL ADVICE

Target market

Before deciding to invest, you should consider the fund manager's target market for your chosen fund and whether your requirements are in accordance with this. This can be obtained through our website www.jameshay.co.uk, through our secure online service James Hay Online or by contacting the fund manager directly. James Hay will not assess whether you meet the fund manager's target market and therefore whether the fund is appropriate for your needs - you need to make this assessment yourself.

STANDARDISED INVESTMENT OPTION - For non-advised pension investors

If you are not following financial advice with regard to your investment choices and do not wish to select your own investments, one option available to you is a range of target retirement funds via our Investment Centre.

We have identified them as being suitable to meet the needs of a typical non-advised pension investor. Please note they are ready-made portfolios, aligned to a preset range of retirement dates, and are not tailored to an individual's retirement goals.

Please note these funds are managed by Vanguard, and their inclusion on our platform does not mean we endorse or recommend them.

TRADES PLACED WITH FINANCIAL ADVICE

Target market

As part of the process of providing advice to you, your financial adviser will consider the fund manager's target market for each fund and whether your requirements meet this when making their recommendations to you. James Hay will not make any assessment of whether you meet the target market for a fund and therefore whether the fund is appropriate for your needs.

If your investment needs and objectives fall outside of this standardised option, you may wish to consider other investment choices.

If you want to ensure that your investment choices are suitable for your financial goals, we strongly suggest you engage with a financial adviser.

For more information, please see the Standardised Investment Option page of our website at www.jameshay.co.uk/standardised-investment-option-for-non-advised-pension-investors/.
