5 Important information

Please ensure that you have read our 'Transferring Your SIPP Away from James Hay Partnership' guide, and completed the attached discharge form, in order to confirm how you would like your SIPP to be transferred. Please be aware that the administrator of the QROPS is also required to complete and sign part of the discharge form.

For details of our transfer charges, please view the charges schedule for your SIPP product. Charges may also be levied by the underlying fund or investment managers when selling or transferring your investments. Please contact your financial adviser or the fund provider directly for further information.

Some transfers to a QROPS can attract a charge, known as the Overseas Transfer Charge. If certain conditions are met, your transfer may be exempt from this charge. For more information, please visit gov.uk/transferring-your-pension/transferring-to-an-overseas-pension-scheme.

Please be aware that overseas transfers are complex, which can result in some transfers not being recognised by HMRC and giving rise to a tax liability in the UK. Please contact your financial/tax adviser for more information.

6 Declaration

Applicant to complete

I request and consent to the transfer set out in this application form. I accept and agree that:

- in some circumstances a transfer of funds might not be a recognised transfer and may be treated as an unauthorised payment giving rise to a liability to pay tax in the UK
- some transfers can attract the Overseas Transfer Charge, as outlined in Section 5
- if this transfer takes me over my overseas transfer allowance, further tax charges will apply
- in any of the above circumstances, I shall be liable to HMRC for any personal tax liabilities incurred, and I shall be liable to James Hay Partnership for any tax liabilities they may incur as scheme administrator
- by signing this declaration, James Hay Partnership is authorised to release details about my SIPP to the receiving QROPS
- if applicable, James Hay Partnership has my authority to check with HMRC the details of any certificate which I supply relating to any enhanced allowance
- the payment I have requested discharges James Hay Partnership's liability in respect of the transferred funds
- any entitlement to benefits under this plan will cease in respect of any transferred rights, and James Hay Partnership will be discharged from any obligation to provide benefits in respect of those rights
- James Hay must carry out checks on the receiving QROPS, which may lead to delays in implementing the transfer or, if satisfactory information is not received by James Hay, the transfer not being made at all.

I declare that to the best of my knowledge and belief, the particulars given on this form are correct and complete.

I accept it is an offence to make false statements and that the penalties are severe and could lead to prosecution.
