

Contribution Amendment Form

Application guide

Please use this form if you have a regular contribution instruction in place and wish to:

- increase or decrease
- suspend or reinstate
- cancel

your regular contributions.

If you would like to pay in a single contribution, set up a new regular contribution, or change the bank that an existing regular contribution is being collected from, please instead complete a SIPP Supplementary Contribution Form which is available on our website at www.jameshay.co.uk.

If you wish to amend contributions coming from an employer or a third party, we require this form to be signed by both the SIPP member and the payer. If these parties are the same person, they should sign both of the relevant sections.

Please note that if you are changing or restarting a regular contribution that is paid by Direct Debit, the date you provide must be between the 1st - 28th of the month.

If you require assistance, please call your Customer Support Team or our general enquiry number 03455 212 414.

Please note: You must cease making contributions to our SIPPs by age 75.

Please allow 10 working days for us to make any changes to existing Direct Debits. If you wish to cancel a regular contribution, we recommend that you also cancel the Direct Debit directly with your bank.

To amend personal contributions, please complete Sections 2, 2a and 3.

To amend employer contributions (including net contributions paid via an employer), please complete Sections 2, 2b and 3.

For third party contributions, please complete Sections 2, 2c and 3.

Please tick one option only:

- i) I have relevant UK earnings chargeable to income tax, or general earnings from overseas Crown employment subject to UK tax, in this tax year.
- ii) I am, or have been, resident in the UK at some time during this tax year.
- iii) My spouse or civil partner has for this tax year general earnings from overseas Crown employment subject to UK tax.
- iv) I am, or my spouse or civil partner is, in overseas Crown employment but for this tax year do/does not have general earnings from overseas Crown employment subject to UK tax.
- v) I was resident when I became a member of the SIPP and have been resident in the UK at some time during five tax years immediately before this tax year.
- vi) None of the above.

If you have ticked (i) or (ii), we will reclaim basic rate tax on your personal contributions. If you are liable to income tax at a rate above basic rate, you will be able to claim any additional relief from HM Revenue and Customs (HMRC) either through your self assessment return or, if you do not complete one, by contacting HMRC.

If you have ticked (iii), (iv) or (v), we will reclaim basic rate tax on your personal contributions up to the basic amount of £3,600 gross.

If you have ticked (vi) or have not completed this section at all, we will not be able to determine if you are entitled to have basic rate tax reclaimed on your personal contribution and so will not be able to reclaim this.

Residency

If you are a Scottish resident (as determined by HMRC) your tax rate may differ.

For example, you may be liable to income tax at no more than the Scottish starter rate of 19%. For the 2024/25 tax year we will still claim tax relief of 20% where applicable. HMRC has stated that it will not recover the difference between the Scottish starter rate and the Scottish basic rate for the 2024/25 tax year.

If you are liable to income tax at a rate above the Scottish basic rate of 20%, you will be able to claim the additional relief from HMRC either through your self assessment return or, if you do not complete one, by contacting HMRC.

The Welsh government has the power to amend the rate of income tax paid by Welsh residents, and if they do, this may impact the amount of tax we can reclaim on contributions made by Welsh residents. The Welsh government has indicated that they will not amend the rate of income tax for the 2024/25 tax year.

- Legislation requires James Hay Partnership to monitor payments into a personal pension scheme by employers from their own bank account in respect of the employee, or on behalf of the employee out of deductions from the employee's earnings. The legislation also states that the employer must specify the 'Due Date' for such payments.
- The employer must make sure that the payments are correct and paid on time. By law, James Hay Partnership must monitor the payments to ensure they are made on time using the Employer's Payment Record information provided.
- We must tell The Pensions Regulator if payments are missed or received late. The employer may be fined by The Pensions Regulator if late or incorrect payments are made.
